This is not specifically a radio-related post, but I'm at the end of the line and hopeful that someone in this crowd can help me out. I'm looking for a service manual for a 3M "Thermofax" Transparency Maker. It is either a model 45 or 47, manufactured sometime between 1962 and 1977. It is the 15 amp model (many were 12 amp). Any old school repair techs here with a file full of old manuals?
