ABR's original Arisen Omnibus audiobook review and many others can be found at Audiobook Reviewer. This review refers to the first three volumes of the Arisen Omnibus series, (books 1-3). The world has been overrun by zombies, the only exception is the large island of Great Britain, or now called Fortress Britain.

Arisen, Omnibus One by Glynn James - Goodreads

This is an omnibus of the first three books in the Arisen series, of which there are now 8 in total. To say it is a zombie apocalypse story doesn't really do it justice. This is a well thought out, plausible and realistic story, covering the actions of the military (UK and US), rather than small bunches of non-military survivors.
