With over 25 years experience in marketing at Unilever, Diageo and T-Mobile, and 5 years in decision science at Decode Marketing, Phil Barden published his book entitled Decoded: The Science Behind Why We Buy in February 2013, as he decided to share with us his experience of a new mental model of consumer decision making that he acknowledged from the latest research results published in neuroscience (in particular decision and visual neuroscience), social psychology and behavioral economics.

Decoded: The Science Behind Why We Buy (Book Review ...

Decoded offers a cogent, psychologically-informed and practical approach to making your marketing more psychologically smart. Rather than detracting from its appeal, the fact that Phil Barden is a seasoned marketer - with his own agency (Decode Marketing) - rather than a psychologist, helps. It's low on psychobabble and heavy on example; and this will appeal to marketers.
