You wouldn't use a contractor's power tools to perform laparoscopic surgery, and you wouldn't use surgical tools to build a house. The challenge for you as a designer, when it comes to complex problems, is to identify where on the spectrum from building a house to performing surgery — or the spectrum from systems thinking to design thinking — is the line where you need to switch to a ...

And my guess is, he'll come back to you in a heartbeat. We're all only human. Seeing his girl happily dance the night away with new people and old friends from high school will nauseate him. He might think that he's over you, but that's when the feelings will come rushing back. 9. Don't beg him to come back
